אל אחינו בני ישראל בכל מקום שהוא!
שלום רב וברכה מרובה!

I would like to recommend the "Ezrat Holim Organization" of Rehovot. The organization has a Shomer Shabbos "hotel" in the Kaplan Hospital of Rehovot that serves the south central part of Israel, as a hospitality house for those who have accompanied patients to the hospital and must remain in its vicinity on Shabbos. It also accomodates expectant mothers who have come to the hospital and were released, either on Shabbos or close to sunset Friday, and cannot return home.

"Ezrat Holim" also weekly supplies glatt kosher meals for Shabbos for tens of people that are hospitalized. They also sponsor courses in first aid, provide emergency medical treatment, and offer medical advice and consultation to the public at large. As a result many lives have been saved.

Rabbi Eliyahu Yeret founded and directs this worthy project. He is a person involved in many Torah and chesed projects. He is one of the dedicated people in our city for all communal services. Anyone that can assist him is truly taking part in a great mitzvah.

Sincerely,

בברכת כל טוב סלה

Menachem Mendel Gluckowsky
